VOLUNTEER SCREENING AGREEMENT

Little League® Baseball Incorporated will not accept any request for charter affiliation/re-affiliation or any request for insurance coverage until the following verification is signed by both the League President and either the League Vice-President, Treasurer, or Secretary. All unsigned forms will be returned without being processed. All local Little League® programs will also be required to sign a statement on the tournament enrolment application that verifies that the process stated below has been implemented in compliance with regulations. Failure to comply may result in the loss of tournament privileges and possible charter suspension by the Charter Committee.

Regulations 1(b) and 1(c) 8 mandate the use of the "Little League® Volunteer Application" for all managers, coaches, board members, and any other persons, volunteers, or hired workers, who provide regular service to the league and/or have repetitive access to or contact with, players or teams. This form shall only be modified in order to comply with local, state, provincial, or national laws. Pursuant to Regulations 1(c) 8 and 9, background checks must be conducted on every individual who is required to complete the current year's volunteer application. As duly elected President and VP/Treas./Sec., we agree on behalf of the organization that we will comply with the use of the "Little League® Volunteer Application" and conduct all of the required background checks.

LEAGUE CHARTER AGREEMENT

As duly elected President of the organization listed herein, I hereby make application for a charter and for the right to conduct a baseball and softball program under the name "Little League®" for the year indicated on this form. This application is accompanied by a registration fee which, I understand, will be refunded if a charter is not granted. If accepted, I pledge my organization and myself to strict compliance with all the Rules and Regulations of Little League® Baseball Incorporated. I also agree that myself and my organization will not discriminate against any person on the basis of disability, race, creed, color, national origin, gender, sexual preference, or religious preference. I hereby agree that Little League® Baseball Incorporated is the sole and exclusive owner of all funds and property acquired by the organization at any time in the name of Little League® and that all of these funds and property shall be devoted solely and exclusively to Little League®'s purposes. In the event that any controversy or dissatisfaction arises in connection with the charter hereby applied for, I agree on behalf of the league mentioned to accept the decision of the Charter Committee as final and binding. Whatever controversies thereafter remain shall be decided by meeting with both parties present in Williamsport, PA. Our league recognizes the needs of International Headquarters to raise funds for its annual activities and hereby consents to it receiving royalty payments from the manufacturers of articles of equipment used by our organization.

When you charter with Little League® Baseball Canada, you agree to use the spreadsheet provided in your annual Charter Application package to submit your league's roster database. This is a secure and easy way to provide the required data on players, managers, and coaches and must be completed in full as instructed to ensure that Canadian Headquarters receives the required data.

The information provided on the roster database is utilized by Little League® Baseball Canada in the following ways:

- Information gathered will be used for the sole purpose of furthering the mission of Little League® Baseball Canada. Little League® Baseball Canada does not sell any information collected from you under any circumstance. We may use the information you provide to fulfill requests for information or products, to respond to inquiries about our program, to provide information on selected partner product promotions or offers available only to electronic database registrants that we believe may be of interest;
- We sometimes use this information to communicate with you, such as to update you on new rules and regulations, notify you when you have won a contest, or provide you with the latest news story being covered by Little League® International;
- To catalogue and record each individual player into yearly listing of participants in the Little League® program. These records are maintained in the Little League® archives for historical purposes;
- To keep a record of the coaches and managers involved in the Little League® Program and their associated team and league;
- Email addresses reported for each player(s), parent(s), and guardian(s) and for each coach and/or manager, are incorporated into Little League®'s electronic database for the current season. Individuals can opt-out of receiving communications from Little League®.

We have read and agree to comply with the Volunteer Screening Requirements and League Charter Agreement
