## Little League Canada - Petite Ligue Canada

January 10, 2024

On behalf of Little League International, Canada Region Director Roy Bergerman and myself, we invite you to attend and participate at the 2024 Canada Region Conference, dates March 21 to 24, 2024. The conference will be held at the Sandman Signature Ottawa Airport Hotel, 250 W Hunt Club Rd, Ottawa, ON K2E 0B7.

The purpose of the conference is to bring together and provide an opportunity for District Administrators, Assistant District Administrators and other league officials to gather and to participate in educational sessions, rules and regulations discussions, and more. Attendees can look forward to an engaging weekend with fellow volunteers and Little League staff in an effort to chart the course for the future of Little League.

Held every four years, the Canada Region Roundtable discussions are conducted by members of the Little League Region and International Staff. A key component to the meeting is to have each of the DAs review and discuss suggested rule and regulation changes with their regional peers. This discussion is necessary to gain the knowledge of how the rule or regulation would impact constituent leagues.

The 2024 Canada Region Conference promises various speakers, engaged roundtables and the chance to connect and collaborate with your peers. We believe that your insights and expertise will greatly contribute to the success of this event.

Thank you and we look forward to your attendance at the 2024 Canada Region Conference,
